

Jasper the award winning, big design with the big 'WOW' factor. Jasper is an arrangement of "floating" platforms or bases upon which a whole range of modular options can be added or rearranged to change the look and feel of a room. The options include upholstered arm and back units in various lengths, feather-down seat cushions in different sizes, feather-down back cushions, and single or double height shelving.

Choose the modular arrangement according to your personal taste and style. Jasper modular sections can be moved around to create an infinite number of settings. Jasper can convert into luxurious beds to cater for the unexpected guest or just for you - relax and doze off at the end of a hard day.

Jasper - Fully tailored, removable covers are available in fabric or leather.

'Neat Feet' - King Furniture's unique comfort adjustment is an available option.

The flexibility of Jasper centres on the base platforms. These can easily be rearranged and then all the component parts positioned on top. Seat cushions, ottoman sections, back cushions, upholstered arms and timber shelving.

So, when times change, Jasper can change with them. Different seasons, different settings. Formal or informal. One combination or separate pieces. A sofa or a bed. Jasper is available in your choice of quality King fabrics and luxurious leathers.
