

The flexibility of Delta is shown in this penthouse setting with chaise lounge combined at one end of an armless three-seater sofa, the perfect arrangement for entertaining.

Round and rectangular tables, another element of the Delta system, can be used for different functions — for drinks when entertaining, laptop computers for working or as arm rests for cushions when relaxing. Removable covers, shown here in white leather, are available in your choice of fabric or leather.

From the King Classics Collection, Art. 124 chairs in white leather, Art. 3052 black marble side table, and (on terrace) Art. 3051 in dining table size, Art 192 wire side chair.

The Circle Sofa is fun! It turns easily and smoothly because it's built around a unique steel frame. This means the famous King comfort will last and last. It's guaranteed for 15 years.

The Delta II Circle Sofa is ideal for relaxing, for watching TV or just for going round and round. It's indulgent for one, wonderfully comfortable for two and very cosy for more. You can move the backs to make the setting you want. The Circle Sofa comes in your choice of quality King Fabrics and luxurious leathers.
