

Kato is designed for today's busy lifestyle. Compact styling and low-line profile make Kato the perfect complement for apartments and studios.

The flexible modular system can also create larger configurations for media and family rooms. Interchange the arms, backs and tables to change the look and suit the mood. Simply adjust the legs to change the height. Specially fitted timber tray tables can be used as side tables or dining trays. The King Furniture guaranteed steel frame and feather-down cushioning ensures that Kato delivers both style and comfort.

An additional bonus . . . when friends and family stay over Kato converts to a luxurious bed.

Add your own style to Kato when you make your choice from the stunning range of premium fabrics and leathers.
