

Columbus is a unique, perfect blend of contemporary styling with traditional square lines. A popular choice that blends with any existing decor. Columbus incorporates all the key benefits of King Furniture designs and manufacturing.

Built around a steel frame using the Postureflex<sup>®</sup> seating system for lasting comfort.

The seating cushions are made using long life, multi-density HR foam.

Columbus is available in three sizes: traditional three-seater sofa; matching arm chair and an inviting 'chaise' style ottoman.

Columbus is available in your choice of leathers and fabrics
